POLAR MICRO-CAP FUND

SUPPLEMENT TO CONFIDENTIAL OFFERING MEMORANDUM

The information herein provides certain additional information and supplements the Amended and Restated Confidential Offering Memorandum of Polar Micro-Cap Fund (the "**Fund**"), dated December 3, 2018, as amended by a supplement dated July 4, 2022 (the "**Offering Memorandum**") as it may be further amended or supplemented from time to time. The Fund is an open-ended investment trust governed by the laws of Ontario pursuant to a trust agreement dated as of January 31, 2014 (as the same may be amended, supplemented or amended and restated from time to time, the "**Trust Agreement**"). The policies and objectives of the Fund are described in the Offering Memorandum.

The Fund is offering an unlimited number of Class A Units and Class F Units of the Fund (collectively, the "**Units**") issuable in series on a continuous basis under the Offering Memorandum pursuant to exemptions from the prospectus requirements of applicable securities legislation (the "**Offering**") including to "accredited investors" (as such term is defined in the *Securities Act* (Ontario) or National Instrument 45-106 – *Prospectus Exemptions*, as applicable) resident in, or otherwise subject to the securities laws of, any province or territory of Canada (the "**Offering Jurisdictions**"). See "Details of the Offering".

All capitalized terms used and not defined herein have the meaning set out in the Confidential Offering Memorandum. The information set out in this Supplement modifies the information in the Confidential Offering Memorandum and the Confidential Offering Memorandum should be read subject to this additional information.

If there is a misrepresentation in the Offering Memorandum, purchasers resident in the Offering Jurisdictions may, in certain circumstances, be provided with a remedy for rescission or damages. See "Purchasers' Rights of Action for Damages and Rescission".

All Units purchased pursuant to the Offering Memorandum are subject to restrictions on resale unless a further statutory exemption may be relied upon by the investor or an appropriate discretionary order is obtained pursuant to applicable securities laws. Therefore, all potential purchasers under this Offering should consult with their legal advisors prior to seeking to sell or otherwise transfer any Units purchased hereunder. As there is no market for the Units, it may be difficult or even impossible for a Unitholder to sell such Units. However, Units may be redeemed in accordance with the provisions of the Offering Memorandum and the Trust Agreement.

Potential purchasers should carefully review the Section entitled "Risk Factors" in the Offering Memorandum before making any decision to invest in the Units.

Conflicts of Interest

The following disclosure is added after the third paragraph under the section "Conflicts of Interest":

> "Applicable Securities Laws, including National Instrument 31-103 – *Registration Requirements, Exemptions and Ongoing Registrant Obligations*, prohibit the Fund from purchasing securities from, or selling securities to, another fund or account managed or advised by Polar or its affiliate (known as "inter-fund trades" or "cross-trades") unless such transaction is made in accordance with the requirements in National Instrument 81-107 – *Independent Review Committee for Investment Funds*, which includes the requirement for approval by the manager's independent review committee, or an exemptive relief order granted by the Canadian securities regulatory authorities, as applicable. As such, any cross- or inter-fund trades made on behalf of the Fund by Polar will be effected in accordance with applicable law and any fiduciary requirements. Notwithstanding the foregoing, there may be potential conflicts of interest or regulatory issues relating to these types of transaction which could limit Polar's decision to engage in these transactions, as the case may be. Such trades may include "rebalancing trades" used to align the relative weightings of the other accounts or investment funds managed by Polar, which weightings are set by Polar in its sole discretion. Polar will periodically review the relative weightings of such portfolios and may make such rebalancing trades at any time or over a period of time (including daily, weekly, monthly or at other intervals) as determined by Polar in its sole discretion."
>
> Polar's independent review committee (the "**IRC**") has issued standing instructions in respect of the Fund's cross- or inter-fund trades and such trades between the Fund and other funds or accounts managed by Polar or its affiliate may be made on behalf of the Fund in reliance on, and in accordance with, such standing instructions and the relevant requirements of applicable securities legislation or any exemptive relief, as applicable. At least annually, the IRC will review a report of all cross- or inter-fund trades executed during the relevant period in reliance on the IRC's standing instructions."
